Sir:

Pursuant to 37 C.F.R. 1.56 and in accordance with 37 C.F.R. 1.97 et seq., Applicants, through and by their attorneys, hereby wish to direct the Examiner's attention to the documents listed on the attached modified PTO 1449 Form. A copy of each non-U.S. patent document and a copy of each non-patent document listed on the form is also presented herewith for the Examiner's review and convenience. Cited U.S. patents and U.S. patent application publications are not included in accordance with the U.S. Patent Office waiver of the requirement under 37 C.F.R. 1.98 (a)(2)(i) for submitting a copy of each cited U.S. patent and each U.S. patent application publication for all U.S. national patent applications filed after June 30, 2003, and for all international applications that have entered the national stage under 35 USC 371 after June 30, 2003.

Applicants also wish to direct the Examiner's attention to the documents listed on the attached PTO Forms 1449 which list the documents that were submitted by Applicants in parent application USSN 09/531247. It is Applicants' desire to have these documents available in the record for both the Examiner and the public to review. Applicants, therefore, request that the Examiner review the entire disclosure of each document and make all documents of record.

The above referenced application was handled by outside counsel and has been brought back in-house. Applicants have been unable to reconstruct the following references as identified in the Information Disclosure Statement that outside counsel submitted on August 17, 2000, and which the Examiner rejected due to the references being listed under "Foreign Patent Documents" on the PTO Form 1449 instead of being listed under "Other Documents" on that form. Therefore, Applicants wish to withdraw these references from consideration:
